ABOUT US

Founded in 1997, Mohit Sales Corporation Pvt. Ltd. has grown into a trusted and leading name in the electrical distribution industry. With 27+ years of experience, we specialize in delivering high-quality electrical products and solutions across multiple sectors.

As an Authorised Distributor of Polycab and Dowells we ensure our customers receive genuine products backed by technical expertise, timely supply, and reliable after-sales support. Our strong industry presence, expert team, and customer-centric approach have enabled us to consistently meet the evolving needs of contractors, industries, retailers, and infrastructure projects.

Mohit Sales Corporation continues to build a reputation for trust, quality, and professionalism—values that form the foundation of our long-standing success.

VISION

To be the most trusted and preferred electrical distribution company in India by delivering innovative, reliable, and sustainable electrical solutions that empower industries, infrastructure, and homes.

MISSION

- To provide top-quality electrical products through strong partnerships with leading brands.
- To ensure unmatched customer satisfaction with timely delivery, expert guidance, and professional service.
- To strengthen our network and deliver cost-effective, safe, and energy-efficient solutions.
- To embrace new technologies and market trends to support the nation's electrical and infrastructure growth.

WHY CHOOSE US?

- 27+ years of industry expertise
- Authorised distributor for three leading global brands
- Wide product range with Strong inventory and fast delivery
- Technical product knowledge and support
- Trusted by contractors, industries, and infrastructure developers
